

## **Whiteside Theatre – Interior Design Plans**

We'll have an annual capital campaign to fund these projects in step-wise fashion over several years. Certain projects that naturally go together will be funded together. These are not in the order in which they'll be pursued and plans are still in the development stage for a number of projects, but these are the areas we have identified that we will be pursuing.

- Electrical power infrastructure
- ADA restrooms and accessibility
- Sound upgrades
- Ticketing improvements
- Lobby expansion
- HVAC for the lobby
- Structural upgrades
- Theatrical lighting and audio-video upgrades
- Position the organ console
- Install balcony railings
- Dressing room improvements
- Stage extension, proscenium reconstruction
- Stage rigging and draperies
- Auditorium re-lighting
- Paint the south doors (done)
- South façade: remove stucco and replace/repair display cases

### **Other future projects:**

- Install a new screen (done)
- Repaint the stencil designs
- Install the restored organ
- Replace the seats
- Replace the rug
- Replace the roof
